Overview

SIMZLIFE commercial ice maker delivers high performance with 400 lbs daily ice output and a 250-lb storage bin, perfect for restaurants hotels bars or large families. The smart LCD control panel allows precise adjustment of cube thickness, timing, and auto-cleaning for easy daily operation. Dual sensors prevent overflow and water shortage while the thick insulation ensures lasting cooling. Built with durable stainless steel and a CFC-free compressor, it runs efficiently and quietly for long-term reliability. ETL certified with a 1-year warranty.

- Fast Ice Making: Produces 160 cubes in 11–20 mins, up to 400 lbs ice per day with 250 lbs storage capacity
- Smart LCD Control: 3 ice size options with timing adjustment and easy alert monitoring
- Auto Cleaning: One touch 20 minute HACCP compliant cycle keeps machine hygienic
- Dual Sensor Protection: Auto stop and alert for full ice bin or low water levels
- Quiet Operation: Low noise less than 38dB ideal for kitchens restaurants or bars
- Long Ice Retention: Stainless steel housing with thick insulation maintains cooling
- Energy Efficient Compressor: CFC free system cuts power cost by 30 percent
- Easy Setup: Split design with 4 adjustable feet for flexible installation
- Worry-Free Assurance: 1-year warranty; ETL certified and composed of food-grade PP for safety and quality

Overview

Are you still worried about not making enough ice Our commercial ice maker produces 250 lbs/day with a 33-lb storage bin. Automatic overflow prevention allows you not to worry about ice cubes overflow. The smart LCD panel displays ambient temperature for optimal efficiency, while adjustable settings let you customize ice size. Powerful compressor allows the machine complete the ice making process efficiently with low noise. With one-touch self-cleaning, quiet operation, ETL certification and a 1-year warranty for hassle-free performance. Upgrade your ice experience today. Feel free to email support@SIMZLIFE.com for any support. We offer you a 1-year limited warranty. If you give us a good review, we will extend the warranty period to 3 years specifically for you.

- High-efficiency ice production: produces 250+ lbs/24H with 33-lb ice storage capacity
- Adjustable cube thickness: customize ice size (3 thickness settings) via timing control
- Auto-cleaning system: 5-minute cleaning HACCP-compliant cycle for hygiene
- Smart dual sensor protection: auto-stops and alerts for ice/water overflow or shortage
- Easy to installation: 3 steps to setup, with 4 adjustable feets, adapt to the multiple needs of installation scenarios
- Superior materials: composed of sturdy stainless steel with heat insulation and food-grade PP, ensuring safety and lasting performance
- LCD control panel: easy to monitor ice production and receive ice alert
- Dimensions: 18.89 inches W x 22.24 inches D x 30.9 inches H, standard 115V/60Hz plug
- Quality assurance: 1-year warranty; ETL and NSF certified, safe to use and compliant with environmental and business standards
